Every woman has the right (now!) to decide what she want's to do -
even being a Housewife! Michael on August 21, 2014: Maybe if the
women of today used this as guide, it could restore values in the
home. I'm not saying to live by it, just remember the 1950's women
did a great job with the home and children.

The 1950s housewife had been prepared both at school and at home for her role in life; she took pleasure and pride in looking after her home and family to the best of her ability. However on the other side of the coin, she didn't have a career outside the home and she had no income of her own, which left her dependent on her husband.
