Sharon Cameron, award-winning author of ROOK and THE DARK UNWINDING, weaves a thrillingly dark mystery brimming with intrigue and romance, in which things are not always what they seem to be. When Katharine Tulman wakes in the middle of the night and accidentally foils a kidnapping attempt on her uncle, she realizes Stranwyne Keep is no longer safe for Uncle Tully and his genius inventions. She flees to Paris, where she hopes to remain undetected and also find the mysterious and handsome Lane, who is suspected to be dead. But the search for Lane is not easy, and Katharine soon finds herself embroiled in a labyrinth of political intrigue. And with unexpected enemies and allies at every turn, Katharine will have to figure out whom she can trust--if anyone--to protect her uncle from danger once and for all. Filled with deadly twists, whispering romance, and heart-stopping suspense, this sequel to THE DARK UNWINDING whisks readers off on another thrilling adventure.

From the award-winning author of Rook comes a delicious and twisty tale, filled with spine-tingling intrigue, juicy romance, and dangerous family secrets. When a rumor that her uncle is squandering away the family fortune surfaces, Katharine Tulman is sent to his estate to have him committed to an asylum. But instead of a lunatic, Katharine discovers a genius inventor with his own set of childlike rules, who is employing a village of nine hundred people rescued from the workhouses of London. Katharine becomes torn between protecting her own livelihood and preserving the peculiar community she grows to care for deeply -- a conflict made more complicated by her developing feelings for her uncle's handsome apprentice. As the mysteries of the estate begin to unravel, it is clear that not only is her uncle's world at stake, but also the state of England as Katharine knows it. With twists and turns at every corner, this extraordinary adventure will captivate readers with its thrills and romance.

Samara is one of the Knowing, and the Knowing do not forget. Hidden deep in the comfort and splendor of her underground city, a refuge from the menace of a coming Earth, Samara learns what she should have never known and creates a memory so terrible she cannot live with it. So she flees, to Canaan, the lost city of her ancestors, to Forget. Beckett has flown through the stars to find a dream: Canaan, the most infamous social experiment of Earth's antiquity. Beckett finds Samara in the ruins of the lost city, and uncovers so much more than he ever bargained for -- a challenge to all he's ever believed in or sworn to. When planets collide and memories clash, can Samara and Beckett save two worlds, and remember love in a place that has forgotten it? At once thought-provoking and utterly thrilling, this extraordinary companion novel to Sharon Cameron's #1 New York Times bestselling The Forgetting explores the truth and loss that lie within memory, and the bonds that hold us together.

What isn't written, isn't remembered. Even your crimes. Nadia lives in the city of Canaan, where life is safe and structured, hemmed in by white stone walls and no memory of what came before. But every twelve years the city descends into the bloody chaos of the Forgetting, a day of no remorse, when each person's memories -- of parents, children, love, life, and self -- are lost. Unless they have been written. In Canaan, your book is your truth and your identity, and Nadia knows exactly who hasn't written the truth. Because Nadia is the only person in Canaan who has never forgotten. But when Nadia begins to use her memories to solve the mysteries of Canaan, she discovers truths about herself and Gray, the handsome glassblower, that will change her world forever. As the anarchy of the Forgetting approaches, Nadia and Gray must stop an unseen enemy that threatens both their city and their own existence -- before the people can forget the truth. And before Gray can forget her.

The extraordinary story of Stefania Podgórska, a Polish teenager who chose bravery and humanity by hiding thirteen Jews in her attic during WWII, from #1 New York Times bestselling author Sharon Cameron - now a Reese's Book Club YA Pick!

A European trading concern hires Marlow to pilot a boat up the Congo River in search of Kurtz—a first-class ivory agent and the manager of the company ' s highly profitable Inner Station—who is believed to be on his deathbed. With a handful of pilgrims as his passengers and a crew of cannibals, Marlow steams his way into the African interior. The terrifying discovery he makes at the end of his journey and the horrors he witnesses along the way have thrilled and disturbed readers for more than a century. A searing indictment of imperialism and a haunting exposé of mankind ' s savage nature, Heart of Darkness is Joseph Conrad ' s masterpiece. This ebook has been professionally proofread to ensure accuracy and readability on all devices. Heart of Darkness is a classic of world literature. The book tells a story about a voyage up the Congo River into the Congo Free State, in the heart of Africa. Marlow, the story's narrator, tells his story to friends aboard a boat anchored on the River Thames, London, England. This setting provides the frame for Marlow's story of his obsession with the ivory trader Kurtz, which enables Conrad to create a parallel between London and Africa as places of darkness. Central to Conrad's work is the idea that there is little difference between so-called civilized people and those described as savages; Heart of Darkness raises important questions about imperialism and racism. Joseph Conrad acknowledged that Heart of Darkness was in part based on his own experiences during his travels in Africa. In 1890, at the age of 32, he was appointed by a Belgian trading company to serve as the captain of a steamer on the Congo River. Joseph Conrad (1857-1924), was a Polish author who wrote in English after settling in England. Conrad is regarded as one of the greatest novelists in English, though he did not speak the language fluently until he was in his twenties. He wrote stories and novels, often with a nautical setting, that depict trials of the human spirit in the midst of an indifferent universe. He was a master prose stylist who brought a distinctly non-English tragic sensibility into English literature. Contents: Heart of Darkness Memoirs & Letters: A Personal Record; or Some Reminiscences The Mirror of the Sea Notes on Life & Letters Biography & Critical Essays: Joseph Conrad (A Biography) by Hugh Walpole Joseph Conrad by John Albert Macy A Conrad Miscellany by John Albert Macy Joseph Conrad by Virginia Woolf

From the Whiting Award–winning author of Pretend I ' m Dead and one of the most exhilarating new voices in fiction, a " thoroughly delightfully, surprisingly profound " (Entertainment Weekly) one-of-a-kind novel about a cleaning lady named Mona and her struggles to move forward in life. Soon to be an FX television show starring Lola Kirke. Mona is twenty-six and cleans houses for a living in Taos, New Mexico. She moved there mostly because of a bad boyfriend—a junkie named Mr. Disgusting, long story—and her efforts to restart her life since haven ' t exactly gone as planned. For one thing, she ' s got another bad boyfriend. This one she calls Dark, and he happens to be married to one of Mona ' s clients. He also might be a little unstable. Dark and his wife aren ' t the only complicated clients on Mona ' s roster, either. There ' s also the Hungarian artist couple who—with her addiction to painkillers and his lingering stares—reminds Mona of troubling aspects of her childhood, and some of the underlying reasons her life had to be restarted in the first place. As she tries to get over the heartache of her affair and the older pains of her youth, Mona winds up on an eccentric, moving journey of self-discovery that takes her back to her beginnings where she attempts to unlock the key to having a sense of home in the future. The only problems are Dark and her past. Neither is so easy to get rid of. Jen Beagin ' s Vacuum in the Dark is an unforgettable, astonishing read, " by turns nutty and forlorn...Brash, deadpan, and achingly troubled " (O, The Oprah Magazine). Beagin is " a wonderfully funny writer who also happens to tackle serious subjects " (NPR).

An enticing Gothic Romance in the tradition of Jane Eyre and Wuthering Heights, A Love So Dark is a slow burn regency romance filled with mystery and intrigue. PRAISE FOR A LOVE SO DARK: "I always loved stories like this growing up as this reminds me so much of reading Jane Eyre just way hotter than that book ever was. I really enjoyed the interaction between the characters."-Amazon Review "Another fantastic book from Chasity! This would definitely be a 10 star review if I had the option! I was hooked from the first few pages and couldn't put it down. I eagerly await the next book in the series, it can't get here soon enough!"-Amazon Review "I've been a fan of this author's writing for over a year now. I had discovered her through social media and fell in love with her contemporary romances.This is my first time reading historical romance. But most definitely won't be the last. They way the words flow and the difference in how they speak to each other sucked me in. I couldn't put the book down. Griffin is so masculine but so vulnerable. The way he assures Olympia of her beauty is breath taking and made me fall in love with him. I highly suggest this book if you like historical or even if you haven't read that genre but want a good kick start. This book is AMAZING!"-Amazon Review Having no fortune, a negligible reputation, and an appearance that could only be described as plain, Miss Olympia Daventry has few prospects. Unless, of course, she elects to remain in her aunt's home dodging her uncle's amourous advances and his sermons, both of which are dished out in equal measure. Out of desperation, she accepts an offer of marriage from a man she has never met. Married by proxy, she travels to his home and at her first sight of it, begins to wonder if perhaps she has not made a terrible mistake. Dark, ominous, foreboding-that description fits both Darkwood Hall and her new husband, Lord Albus Griffin, Viscount Darke. Griffin had vowed never to marry, but the terms of his meddling aunt's will have left him no other option if he intends to preserve Darkwood Hall and the secrets it holds. But he'd instructed his solicitor to secure a wife for him that would never tempt him to consummate their union. And yet Olympia tempts him at every turn. She incites in him such lust and desire, such possessiveness, that he fears the madness that threatens all the men of his line has finally claimed him. But there are other dangers lurking within the walls of Darkwood Hall, secrets and plots, enemies that will stop at nothing to destroy them. Tempted, torn, and tormented by wanting what he should not let himself have, Griffin is lost... but for once he is not alone.

First published in 1941, a classic portrait of a Soviet revolutionary who is imprisoned and tortured under Stalin's rule finds him agonizingly reflecting on his ironic career under the totalitarian movement.

Columbus Discovered America . . . But Who Discovered Europe? Were the ancient Egyptians black? Did Egyptian explorers land in Greece some 4,000 years ago? Did they plant colonies, establish royal houses, and bring civilization to Europe ' s savage tribes? Did the secret rites of their temple cults later resurface among the Knights Templar and the Freemasons? In Black Spark, White Fire, Richard Poe provides startling answers to these questions and more. " Brilliant. . . . Poe has produced a classic volume . . . splendid in its conception and powerful in its execution—a major work. " —Molefi Kete Asante, author of The Afrocentric Idea " Superb. . . . I am convinced that within 20 years Richard Poe ' s views will be seen as closer to the historical truth than those of the present defenders of the status quo. The book is clear, well-written, and hard to put down. While we disagree on a number of issues, Black Spark, White Fire is the popular book that I am incapable of writing. " —Martin Bernal, author of Black Athena " It is refreshing to hear the Afrocentric theory of ancient Egypt argued so persuasively, from a viewpoint that is neither liberal nor conservative, black nor white. " —Armstrong Williams, syndicated columnist and TV talk show host
