Because this site is dedicated to free books, there's none of the hassle you get with filtering out paid-for content on Amazon or Google Play Books. We also love the fact that all the site's genres are presented on the homepage, so you don't have to waste time trawling through menus. Unlike the bigger stores, Free-Ebooks.net also lets you sort results by publication date, popularity, or rating, helping you avoid the weaker titles that will inevitably find their way onto open publishing platforms (though a book has to be really quite poor to receive less than four stars).

For Lee Child, Robert Ludlum, and Clive Cussler Fans Being a backpacker is easy. It's the bullets that are hard. Michael Chase didn't fly halfway around the world to lie on the beach and sip Mai Tais. He went to China to find his father. But when Michael finds himself caught between dueling spy agencies, every belief he holds dear is questioned, every notion is examined, and every relationship is tested. Michael didn't plan it this way. The events he finds himself part of were set in motion long before he was born. Generations ago, the invention of a radical new technology almost helped the Nazis win WWII. Now, seventy years later, the technology that would have resulted in Hitler's victory is close to being unearthed in the Chinese hinterland. If it is, everything that we know will be transformed forever. One secretive group will stop at nothing to keep that from happening. Since their first meetings in the days of the Samurai they've kept their radical agenda hidden. But as Michael discovers, nothing stays hidden forever. Michael's friends are few. His foes are many. And his chances of success are slim. If he's going to survive, he'll have to throw away everything he thinks he knows and start anew. Because there's more at stake than just his father now. And everyone of us is at risk. MICHAEL CHASE CIRCUIT SERIES IN ORDER: Lethal Circuit -- Book One in the bestselling Michael Chase Circuit Series. Within democratic societies, a deep division exists over the nature of community and the grounds for political life. Should the political order be neutral between competing conceptions of the good life or should it be based on some such conception? This book addresses one crucial set of problems raised by this division: What bases should officials and citizens employ in reaching political decisions and justifying their positions? Should they feel free to rely on whatever grounds seem otherwise persuasive to them, like religious convictions, or should they restrict themselves to "public reasons," reasons that are shared within the society or arise from the premises of liberal democracy? Kent Greenawalt argues that fundamental premises of liberal democracy alone do not provides answers to these questions, that much depends on historical and cultural contexts. After examining past and current practices and attitudes in the United States, he offers concrete suggestions for appropriate principles relevant to American society today. This incisive and timely analysis by one of our leading legal philosophers should attract a wide and diverse readership of scholars, practitioners, and concerned citizens.

Scientific Diagnostics  
internationally respected as a UFO investigator and author but now as a so-called UFO abductee. It is strikingly different from other works dealing with UFO abductions in that it will provide an overview of the complete life of an abductee from early childhood to sunset years of his life. The exciting descriptions of UFO sightings, investigations and documentation would be worthy of a book themselves. The Chief Scientific Consultant for the USAF UFO Project Bluebook, Astronomer Dr. Hynek is on record as stating: "Raymond Fowler whose meticulous and detailed investigations far exceed the investigations of Bluebook." However, this book is about much more than investigating UFO sightings. Throughout the warp and weft of the author's UFO and paranormal experiences is the slow but sure realization that he has been investigated since childhood by the very phenomenon he was investigating!

□Extremely suspenseful and riveting . . . a fast-paced story which keeps the reader turning the pages as fast as possible□ from the #1 bestselling author (Fresh Fiction). It's the most wonderful time of the year . . . and for Heather Andrews, security manager at Timberwoods Mall, undoubtedly the busiest. But this Christmas, Heather has more to contend with than frazzled parents and disgruntled Santas. Angela Steinhart, a young woman who designed the mall's spectacular holiday displays, has had a premonition that tragedy will strike on Christmas Eve. And Angela's visions have a habit of coming true. Heather would love to dismiss the warning as holiday stress. But the more she gets to know the quiet, lonely Angela, the more she trusts her. In Lex, her boss, Heather finds an ally□and the glimmer of something more profound. And as the days count down, it will take all of her wits, hope, and unflinching courage to stop someone from destroying the season in one split second . . . □Overall, I enjoyed Christmas at Timberwoods and would recommend it to fans of suspenseful tales with a splash of romance.□Caffeinated Book Reviewer Praise for Fern Michaels

Bonus scenes and/or new material in each book! CAGE by Harper Sloan Greg Cage was born to protect. For the last decade, he has carried the guilt of his sister's death and need for vengeance around... until it was stripped from him. All he has ever known was how to protect: his family, his friends, and his country. Can he go against everything he has ever known, and give up that control? Melissa Larson has been the rock in her family for more years than she can remember, and the fight to keep them together is her main priority. She has always been fiercely independent and proud, never asking for help. When that choice is out of her control, will she be able to let someone else be her strength? With unexpected events at every turn and fate wrecking more havoc on another member of the Corps family, Greg and Melissa learn just how powerful their love can be. UNTIL NOVEMBER by Aurora Rose Reynolds November is looking forward to getting to know her father and the safety of a small town. After leaving the Big Apple and her bad memories for Tennessee, she starts working for her dad at his strip club doing the books. The one time she's allowed there during club hours she runs into Asher Mayson. He's perfect until he opens his mouth and makes assumptions. November wants nothing to do with Asher but too bad for November, fate has other plans. Asher has never had a problem getting a woman, that is until November. Now all he can think about is making November his and keeping her safe. BROKEN HART by Ella Fox Sabrina Tyler is head

Over heels in love with her boss and best friend, Dante Hart. She thinks that he has no romantic interest in her but she's wrong. Dante doesn't believe in love or commitment or any kind. Sabrina has gotten under his skin, but Dante has no intention of acting on it. One wild night changes their relationship forever, but Dante lacks faith in love and doesn't believe in Happily Ever Afters. Can Sabrina break through and fix what's broken in Dante Hart?

**INCINERATE** by Tessa Teevan When Knox Wellington opens the door to Charlie Davenport, he's not expecting the fiery brunette with whiskey colored eyes and a feisty personality. Their chemistry is undeniable, but the chip on Knox's shoulder threatens to destroy any hope of him wooing the sweet, southern volunteer sent to help with his rehabilitation. Little does he know she's no Southern Belle, as she gives as good as she can take. As unexpected circumstances push them closer together, heads butt, patience is tested, and flames ignite as they dance around their mutual attraction, both of them jaded from broken pasts. They've both been burned before, so when their feelings of lust, desire, and wanting are inflamed in the heat of the moment, will they finally be able to get over the pain of the past or will their relationship be reduced to ashes before it can ever really begin?

**PUSH THE ENVELOPE** by Rochelle Paige Alexa is your average college junior, attending classes and piloting Mile High Club charter flights. Boys haven't been on her radar for a couple years after a disastrous breakup with her high school sweetheart. Drake transferred to Blythe College for the rugby team, not for a new assortment of college girls. When he meets Alexa, Drake knows he's met his match. She tries to resist him, but he isn't used to taking no for an answer.

**BROKEN** by K Webster Life is perfect for Andi until her entire world is crushed in an instant and she is left broken. Forced to pick up the pieces of her heart, she chooses to abide by a set of rules that prohibit her from getting hurt again. When Jackson enters the picture, he wants to play her game. What happens when things get complicated and hearts actually do get involved? Will they move on or will they break the rules?
