Cashier Basics. The foundation of cashier training is teaching your employees how to use your cash registers to conduct transactions. This should include demonstrating how to begin new transactions, scan or input items, and how to process multiple payment types. Don't forget to teach employees how to process coupons and loyalty cards, if appropriate, as well as less common types of payment, including gift cards and checks.

## *Cashier Training | Career Trend*

Compounding the difficulty of cashiering is WAL-MART's half-assed approach to training anyone. According to the plan, new associates would be assigned a mentor to train us, where at first we would observe them cashiering and then switch rolls, going solo only when we were completely comfortable.

This Cashiers Manual contains procedural guidance on the operation of imprest funds, including guidance once contained in the Treasury Financial Manual (TFM), I TFM Part 4, Chapter 3000, Imprest Fund Cash Held at Personal Risk by Disbursing Officers and Cashiers.

Walmart and "Made in China" are practically synonymous; Walmart imports some 70 percent of its merchandise from China. Walmart is now also rapidly becoming a major retail presence there, with close to two hundred Walmarts in more than a hundred Chinese cities. What happens when the world's biggest retailer and the world's biggest country do business with each other? In this book, a group of thirteen experts from several disciplines examine the symbiotic but strained relationship between these giants. The book shows how Walmart began cutting costs by bypassing its American suppliers and sourcing directly from Asia and how Walmart's sheer size has trumped all other multinationals in squeezing procurement prices and, as a by-product, driving down Chinese workers' wages. China is also an inviting frontier for Walmart's global superstore expansion. As China's middle class grows, the chain's Western image and affordable goods have become popular. Walmart's Arkansas headquarters exports to the Chinese stores a unique corporate culture and management ideology, which oddly enough are reminiscent of Mao-era Chinese techniques for promoting loyalty. Three chapters separately detail the lives of a Walmart store manager, a lower-level store supervisor, and a cashier. Another chapter focuses on employees' wages, "voluntary" overtime, and the stores' strict labor discipline. In 2006, the official Chinese trade union targeted Walmart, which is antilabor in its home country, and succeeded in setting up union branches in all the stores. Walmart in China reveals the surprising outcome.

The largest company in the world by far, Wal-Mart takes in revenues in excess of \$280 billion, employs 1.4 million American workers, and

## Get Free Cashier Training Manual For Wal Mart Employees

controls a large share of the business done by almost every U.S. consumer-product company. More than 138 million shoppers visit one of its 5,300 stores each week. But, as recent news stories show, Wal-Mart's "everyday low prices" come at a tremendous cost to workers, suppliers, competitors, and consumers. The definitive portrait of the juggernaut that is reshaping American, *The Bully of Bentonville* exposes the zealous, secretive, small-town mentality that rules Wal-Mart and chronicles its far-reaching consequences. In a gripping, richly textured narrative, Anthony Bianco shows how Wal-Mart has driven down retail wages throughout the country, even as their substandard pay and meager health-care policy have led to a double-digit employee turnover; why their aggressive expansion inevitably puts locally owned stores out of business; and how their pricing policies have forced suppliers to outsource work and move thousands of jobs overseas. Their power even influences what Americans can read, watch, and listen to; in the name of protecting its customers, Wal-Mart bans "racy" magazines and insists on sanitized versions of popular DVDs and CDs. Based on countless interviews with Wal-Mart employees, managers, executives, competitors, suppliers, customers, and community leaders, *The Bully of Bentonville* illuminates the story-behind-the-headlines and brings the truths about Wal-Mart into sharp focus.

Vols. 9-17 include decisions of the War Labor Board.
