By passing the level, you will gain the CIMA Diploma in Management Accounting Operational level is the first level of the CIMA Professional Qualification and consists of three subject areas. What do you learn at Operational Level? The Operational level focuses on short term decision making.

CIMA offers a business qualification with a finance focus, aiming to produce members with accounting prowess who are skilled in strategic decision-making. 98% of its members work in business, the highest proportion of any worldwide accountancy body. Paper P1 looks at how information is obtained, evaluated and used to control and predict business performance.The syllabus is split into the following five areas: * Cost accounting systems * Forecasting and budgeting techniques * Project appraisal * Dealing with uncertainty in analysis * Managing short-term financeP1 requires a good understanding of the underlying concepts and techniques in all five areas.P1 also needs you to be able to apply these concepts to practical situations, evaluate them critically and interpret the results. The P1 Study Text contains all you need to know for P1, featuring step-by-step guides to techniques such as investment decision making and budget preparation. There are also reminder sections of knowledge brought forward from earlier studies such as costing terminology. Key terms are identified throughout the Text to help you to get to grips with the new material.

The Performance Operations Practice & Revision Kit allows you to apply your knowledge by putting theory in to practice. It contains questions in the section A objective testing format and also the longer section B and C type questions. All of the questions are grouped into syllabus areas and labelled as section A, B or C to help you identify the questions and topics you need to practice the most. Through practice, you are equipped with the best techniques to face the exam and earn the maximum number of marks.

Testimonials of Astranti Courses, Study Texts and Mock Exams: "Very targeted to the exam and very professional, is every bit as good as attending a class room tuition or revision course." James Glackin "All in all it's the best thing I came across during my CIMA studies. I don't know any better way to help yourself to pass these tough exams." Grzegorz Narozanski "Just wanted to let you know that I passed all 3 exams using the textbook and your mock exams which I found really helpful, thanks!" Nneoma Nwaogu "I would also like to extend my great gratitude for such a wonderful study text; they made my understanding of CIMA P1 much easier. Once more thank you very much to the Team." Mthuthuzeli September "I received the fantastic news this morning that I have finally passed T4!! Many thanks for your support and advice in the lead up to the exam, I am certain that without the really important tips on exam strategy you provided I would not have passed. Many thanks again!" Babak Fardaghaie "So I managed a 76% pass for E2 using your notes. They are very well structured and easy to use. Thank you so very much." Amanda Vakalisa "The Astranti method of teaching is systematic and easy to follow. I gained a lot of knowledge and regret not enrolling with Astranti for my earlier CIMA exams. After the course I was confident about my preparation. I would recommend the course to everyone sitting the T4b exam especially the MARKED mocks. Its the section by section detailed feedback from tutors that helps to improve and gain confidence." Gunjan Nagpal "I have cleared all 3 strategic level papers in my first attempt. I used the Astranti learning material during my final revision. They were short, precise and saved a great amount of time which made all the difference for me in the exam. Thank you very much."
