Embedded answers (Cloze) questions consist of a passage of text (in Moodle format) that has various answers embedded within it, including multiple choice, short answers and numerical answers. Until mid2013, there was no graphical interface to create these questions within your Moodle site - you needed to specify the question format using the text box or by importing them from external files.

Embedded Answers (Cloze) question type - MoodleDocs

The cloze test is like a gap fill exercise. You will see a reading passage with 20 missing words. There will be multiple choice answers to the right of the passage or below the passage. A cloze test is an exercise, test, or assessment consisting of a portion of language with certain items, words, or signs removed, where the participant is asked to replace the missing language item. Cloze tests require the ability to understand context and vocabulary in order to identify the correct language or part of speech that belongs in the deleted passages. This exercise is commonly administered for the assessment of native and second language learning and instruction. The word cloze is de
