Mometrix Test Preparation's EMT Exam Review Secrets Study Guide is the ideal prep solution for anyone who wants to pass their NREMT Emergency Medical Technician Exam. The exam is extremely challenging, and thorough test preparation is essential for success. Our study guide includes: * Practice test questions with detailed answer explanations * Tips and strategies to help you get your best test performance * A complete review of all EMT test sections * Medical, Legal, and Ethical * Airway * Cardiology * Trauma * Medical Emergencies * Obstetrics and Pediatrics * Geriatrics * Operations Mometrix Test Preparation is not affiliated with or endorsed by any official testing organization. All organizational and test names are trademarks of their respective owners. The Mometrix guide is filled with the critical information you will need in order to do well on your EMT exam: the concepts, procedures, principles, and vocabulary that the National Registry of Emergency Medical Technicians (NREMT) expects you to have mastered before sitting for your exam. The Medical, Legal, and Ethical section covers: * Ryan White Law * Universal precautions * "Duty to act" The Airway section covers: * Normal breathing * Assessing respiration * Airway-clearing methods The Cardiology section covers: * Anatomy and function * Heart attacks * CPR The Trauma section covers: * Baseline vital signs * Rapid trauma

assessment * Child vs. adult injuries The Medical Emergencies section covers: * Behavioral call * Drug categories * Poisoning The Obstetrics and Pediatrics section covers: * Imminent birth * Miscarriage * Pediatric patients The Geriatrics section covers: * GEMS diamond * Physiology in geriatric patients * DNR The Operations section covers: * Patient assessment process * Run report * Ambulance operations ...and much more! Our guide is full of specific and detailed information that will be key to passing your exam. Concepts and principles aren't simply named or described in passing, but are explained in detail. The Mometrix EMT study guide is laid out in a logical and organized fashion so that one section naturally flows from the one preceding it. Because it's written with an eye for both technical accuracy and accessibility, you will not have to worry about getting lost in dense academic language. Any test prep guide is only as good as its practice questions and answer explanations, and that's another area where our guide stands out. The Mometrix test prep team has provided plenty of EMT practice test questions to prepare you for what to expect on the actual exam. Each answer is explained in depth, in order to make the principles and reasoning behind it crystal clear. We've helped hundreds of thousands of people pass standardized tests and achieve their education and career goals. We've done this by setting high standards for Mometrix Test Preparation guides, and our EMT Exam Review Secrets Study Guide is no exception. It's an excellent investment in your future. Get the EMT review you need to be successful on your exam.

Each section of the test has a comprehensive review that goes into detail to cover all of the content likely to appear on the EMT Exam. The practice test questions are each followed by detailed answer explanations. If you miss a question, it's important that you are able to understand the nature of your mistake and how to avoid making it again in the future. The answer explanations will help you to learn from your mistakes and overcome them.--Provided by

you to know. Anyone planning to take this exam should take advantage of the EMT basic training review material, practice test questions, and test-taking strategies contained in this Test Prep Books study guide.

REA's EMT Flashcard Book, 4th Edition Raise your score with 400 must-study test questions! REA's flashcard book for the EMT exam helps you check your test-readiness and get a high score. Our flashcard book is the perfect refresher and offers a quick and convenient way to practice answering questions while pinpointing your strengths and weaknesses. Written by an expert with nearly 30 years of experience in the fire and EMS arenas, our flashcards give you full scenarios to evaluate in a multiple-choice format, just like the actual test. The book contains 400 must-study questions that cover all the test categories on the EMT exam: airway and breathing, cardiology, medical, obstetrics and pediatrics, and trauma. Handy icons help you locate questions by subject, so you can review and test your knowledge in specific areas. The book also includes fun facts about the medical/EMT profession and its history. Unlike most flashcards that come loose in a box, our flashcards are bound in an organized, portable book that makes studying a breeze. Our concise question and answer format makes it easy to find the right answer, and we give details explaining why the answer is correct. REA's EMT flashcards are perfect for on-the-go review and ideal for individual, classroom, or group study.
