Exploring English Grammar: From formal to functional ...

But English grammar, like that of any language, is complex, and can only be comprehensively described by giving a good deal of information about regularities and their limitations. Whether this information is classified under formal headings (‘the noun phrase’, ‘the verb phrase’, ‘clause types’, etc.) or in functional terms (‘the grammar associated with the ideational function’, ‘the grammar associated with the interpersonal function’, etc.), the facts are the same: the ...
