That package includes ISBN-10: 0133507696/ISBN-13: 9780133507690 and ISBN-10: 0133543757/ISBN-13: 9780133543759. MyFinanceLab is not a self-paced technology and should only be purchased when required by an instructor.

Known for its time-honored, fully integrated learning system, the Eleventh Edition stays on the cutting edge with progressive new tools and fresh, thought-provoking content. Gitman's proven learning goal method artfully weaves together pedagogy with concepts and practice, providing students with a road map to guide them through the content. This revision brings new examples, new pedagogical features, and an increased emphasis on the ethical implications of financial decisions, adding currency and depth to the text's effective, consistent framework for learning. The new focus on ethics explores such provocative topics as trusting bond raters and ethical accounting practices.

This text emphasizes how changing life situations impact an ever-evolving personal financial plan. Each chapter contains two or three types of boxes discussing issues not covered in text material, while revised critical thinking passages precede every section of each chapter.

CORPORATE FINANCE, 2nd Edition was crafted to match the way you teach your MBA-level course. It's a claim we're confident to make because before creating the text, the authors analyzed more than 150 MBA-course syllabi and blended this research with input from professors like you and more than 50 years of personal corporate finance and teaching experience. The result is the most relevant text available for your students—one that presents the latest financial theories within the practical context of today's business. This balance of modern theory and practice is found in features such as Applying the Model examples that demonstrate concepts in action, cross-functional applications that make the book applicable to all students, and innovative CengageNOW for Smart Finance technology that reinforces learning throughout each chapter.

Fundamentals of Investing helps students make informed investment decisions in their personal and professional lives by providing a solid foundation of core concepts and tools. Gitman/Joehnk/Smart use practical, hands-on applications to introduce the topics and techniques used by both personal investors and money managers. The authors integrate a consistent framework based on learning goals to keep students focused on what is most important in each chapter. Students leave the course with the necessary information for developing, implementing, and monitoring a successful investment program. The eleventh edition addresses the current financial crisis and the impact it has made on the markets.

Earn the grade you want in your course with the help of this invaluable tool. This Study Guide lists key learning objectives for each chapter, outlines key sections, provides self-test questions, and a set of problems similar to those in the book and those that may be used on tests, with fully worked-out solutions.
