Mainly pay attention to the bald spots. Immediately after a moderate massage, cover a warm moist soft towel around your scalp for 3 to 5 minutes.

10 Tips How to Regrow Hair on Bald Head Naturally | Har Vokse

Q: How can I tell if the short hair I see is new growing hair or broken hair? A: This can often be very difficult to determine, especially if the "short hairs" are in areas where breakage can occur (around the hairline, etc.).

How to tell the difference between broken hair and new growth

If you notice new hair growing, whatever the colour, you'll probably notice that it's quite fine in texture. This is because it's simply 'vellus' hair - that's the fine, downy-like fuzz we're all born with. It might cover your entire patch and it might stick around; or it could simply fall out again.

3 signs of regrowth in alopecia areata | Lady Alopecia

I can honestly say I didn't notice one hair grow during the whole time I was using Regaine. So, with my hair getting thinner and my confidence stooping to an all time low, you can start to imagine how I was feeling. Demoralised! I don't think I am a vain person as such, but the thought of going bald did scare me immensely.
