Komatsu WA600-8 Wheel Loader - Marubeni Komatsu

The Komatsu-designed power train features a large capacity torque converter for optimum efficiency. The large capacity torque converter allows the loader to up-shift gears faster for improved acceleration and hill climbing ability. In most applications, production is increased and fuel consumption is reduced, resulting in improved fuel efficiency.

Komatsu Australia - Komatsu Australia

The Komatsu wheel loader WA600-8 is well known for its exceptionally strong design, the basis for a long service life even under the toughest conditions. With the stone handling specification this basic machine is adapted to special requirements in this application. Hydraulic modifications to the base machine allow higher loads.
