LEGAL TERMINOLOGY WITH FLASHCARDS, 4th Edition enables the beginning student to quickly grasp legal terminology through clear language and engaging repetition exercises. LEGAL TERMINOLOGY WITH FLASHCARDS, 4th Edition presents the content in an accessible way, so that students from any background can feel confident in their legal discourse, whether they're writing briefs, memorandums of law, bills of particulars, or other legal documents. Beginning with the use of a dictionary/thesaurus in each chapter, the student is immersed into nineteen separate areas of the law with phonetic pronunciations, definitions, usages, and spellings that facilitate the fastest approach to writing and speaking with the appropriate legal terms. Following mastery of each term in the dictionary/thesaurus, the student uses multiple learning formats (multiple choice, matching, fill in, true/false, sentence completion, synonym selection) to use and reuse 90-110 terms per chapter. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Essentials of Human Behavior combines Elizabeth D. Hutchison's two best-selling Dimensions of Human Behavior volumes into a single streamlined volume for understanding human behavior. The text presents a multidimensional framework integrating person, environment, and time to show students the dynamic, changing nature of person-in-environment. In this Third Edition, Hutchison is joined by new co-author Leanne Wood Charlesworth, who uses her practice and teaching experience to help organize the book's cutting-

of sidebars, illustrations, and other design devices to present material more clearly. The authors present concepts simply, then move the discussion toward complexity--the opposite of the approach taken by many current texts. Clear yet sophisticated, the casebook is the perfect choice for all skill levels. Themes that run through the course are highlighted throughout the book, resulting in a casebook that clearly presents the fundamentals of property law. This allows students to develop an understanding of basic concepts on their own while allowing professors to assist their students in developing an advanced understanding of property law. Key Features: Cases are introduced with explanatory text discussing the law and issues surrounding the case. This radically different approach from most other casebooks allows students to have a better grasp of the concepts and themes before they even read the case. Includes problems and exercises that students can complete on their own, with explanatory answers included in an appendix. Innovative design aids student learning, with sidebars, diagrams, charts, and illustrations that make concepts clearer to students. Cases are used as examples, not introductions to legal rules. Many topics in the book feature introductory text, illustrations, and problem sets before a single case is introduced, to aid in students' legal learning. Includes sample documents, helping students to understand core concepts. CasebookConnect features: ONLINE E-BOOK Law school comes with a lot of reading, so access your enhanced e-book anytime, anywhere to keep up with your coursework. Highlight, take notes in the margins, and search the full text to quickly find coverage of legal topics. PRACTICE QUESTIONS Quiz yourself before class and prep for your exam in the Study Center.
