Optical Illusions Coloring Book
Dover ... - Amazon.co.uk

With this book you can enter a realm of dazzlingly deceptive designs that offer wonderful opportunities for imaginative and inventive coloring. You'll find a host of ingeniously contrived constructions, strange, interlocking shapes and mind-boggling arrangements that defy reality and challenge the imagination to grasp their form and structure.

Optical Illusions Coloring Book -
store.doverpublications.com

This is both a solid summary of how optical illusions work with plenty of modern examples - many of which refer to classic Escher-style illustrations, but also a labour of love for its designers to cover this much ground. There are 54 pages of visual illusions and full answers given as to how effects are created.

Optical Illusions

Here is a delightful collection of mysterious optical illusions — pictures that play tricks on the eye and baffle human perception. Some of these images are the result of shortcomings in our vision; others are still not completely understood. This book

Puzzling Optical Illusions

The optical illusions, which combine visual interest with elements of psychology and recreational logic, include many original illusions as well as new adaptations of lesser-known visual tricks. Each of the images is accompanied by a simple commentary that explains how it works.

Visual Illusions (Colouring Books) (Dover ... - Amazon.co.uk

This book provides a welcome departure from the more traditional coloring books available today. But beware, the designs herein may boggle your mind, and confound your eyes; they are all visual illusions. Does the cube go in or out... is the line straight or curved? You'll have fun deciding which while coloring them at the same time.
