How to Pass the Professional Skills Test for Initial Teacher Training (ITT) provides complete practice for candidates applying to study for teacher training and those aiming for Qualified Teacher Status (QTS). The only book which combines all aspects of the test, including numeracy, literacy as well as the new reasoning questions, it covers basic practice as well as more challenging questions. It provides mental arithmetic training to help you answer questions confidently without the use of a calculator as well as realistic test practice. With over 1000 questions and detailed answers with explanations, How to Pass the Professional Skills Test for Initial Teacher Training (ITT) is the only resource you'll need to pass the exam and start your teacher training with confidence.

An essential book for anyone thinking of taking, or about to take, the Professional Skills Tests for Teachers. You must pass these tests before starting your course, and this up to date text tells you exactly what to expect and how to prepare for the latest versions of the tests. There is an emphasis on support and

Read PDF P The Professional Skills Tests For Initial Teacher Training The Ultimate Guide On How To P The Professional Skills Tests For Trainee Teachers Teacher Training Itt Testing Series

clear guidance throughout, along with plenty of practice material, so you can face the tests with confidence and succeed in your application. It provides: a guide to the variety of Initial Teacher Training (ITT) provision and routes into teaching a preparation timeline comprehensive coverage of both the numeracy and literacy tests an audit of your strengths and areas for improvement in literacy and numeracy example questions and answers, highlighting common errors, providing top tips for success, with theories and methods fully explained full practice papers plus test-taking and revision strategies discrete topics within the numeracy and literacy sections enabling focused learning, with explanations and hundreds of examples larger format pages, with topics covered across double page spreads for ease of use and more memorable learning.

"I found this book very informative. It is clearly set out and the chapters are clear. I particularly liked how you can test yourself on all areas then check the answers along with an explanation. At the end of the book is a honest account from someone who completed their QTS and I enjoyed reading this." - Stephanie Kane, Teacher Training Candidate "I will recommend this book because it is up to date and because it covers both literacy & numeracy skills tests. It explains coherently what the tests are for. It shows how rigorous they are and why they are important - showing how they impact practice even if not in the trainee's specialist area. Everything a potential ITT trainee needs to know is covered. and shows it is more than just about passing the tests. There are good practice questions. IN a nutshell - everything a trainee needs is here!" -Mrs Sarah Barton, School of Education, Portsmouth University If you are applying to teacher training in England, you must pass your Professional Skills Tests for Trainee Teachers before you can start your training. Written by authors who have written questions for the test themselves, this is your guide to how to prepare for, approach and succeed in the Professional Skills Tests for Trainee Teachers. It takes you through how the tests work and includes hints and tips on what to expect and how to respond. It offers clear and concise guidance on revision and examples of questions so you can prepare for the tests and pass. This second edition has been updated with added practice questions, and a new chapter with trainee and tutor profiles giving you up-to-date and focused insight into how to get into teacher training, and what it's like to complete the course. How to use this book The first chapter in this book will help you understand the context of the skills tests and direct you to useful sources where you can conduct your own research into schools and education. Having a familiarity with key terms and issues in education will prove useful both when approaching the skills tests and also at a later date when you apply for a training place. Subsequent chapters will outline the content and structure of the literacy and numeracy skills tests and offer you practice questions. Then there is a chapter designed to support your application to teacher training courses and provide suggestions and advice for the interview process. Finally, for this second edition a new chapter 'What is teacher training really like?' offers you real insight into intial teacher training from the point of view of the student and the tutor. About the authors Bruce Bond has been involved in writing, editing, observing, reviewing and trialling the QTS Literacy Skills Tests for over 10 years. Jim Johnson is an Honorary Fellow of Nottingham Trent University where, until his retirement, he led the English team in the Department of Primary Education. Mark Patmore was until recently a senior lecturer in mathematical education in the Department of Education at Nottingham Trent University. Nina Weiss has worked in education for over 30 years. Since 2008, she has been authoring and editing the QTS Skills Tests.
