allows pension customers to take part of their plan as a partial uncrystallised funds pension lump sum (UFPLS) if they have a former Allied Dunbar plan which is under product code BC, BD, BE, BEA, BG, BGA, BH, DK, DKA, DL, PB, VA or VB.

Former Allied Dunbar pension plans - an update | Articles ...

The APT Master Trust is a workplace pension, which allows unrelated employers participate in ring-fenced sections of the Trust. Moving to a Master Trust eases the burden of governance and compliance for your defined contribution scheme by passing complete regulatory responsibility to the Master Trust Trustee, whilst benefiting from economies of scale associated with larger groups.

retirement with reliable information and guidance. rewritten to focus on financial considerations of planning for retirement. It offers details on the overall framework in which pensions improvements can be made and considers the wide range of options available when taking a pension on retirement. Details of a range of tax efficient investments are given and it also offers advice on the benefits provided by the State and the impact of the Community Care Act on caring for the elderly. particular pensions. The second section looks at more general areas of personal financial planning, including tax, wills and trusts. There is also a chapter on retiring abroad. The third section considers the elderly. Finally there is a chapter containing a list of useful addresses and other details on where

to get information.

It is increasingly likely that the responsibility for an ageing relative, particularly a parent, will fall upon their offspring. The effects of inflation, inadequate pensions and benefits schemes, sometimes coupled with declining health, can mean that the elderly need considerable assistance.

This monograph provides coverage of British pensions policy-making. It includes an account of post-Beveridge pensions policy from 1942 to 1978, and describes the new philosophy of welfare and formulation and implementation of pensions policy in
