this book and there is a good chance you can talk directly and privately with me. How many Authors offer you this? Everyone's story is unique. You are unique. Men are unique. But your situation is not. I have seen it and FIXED it a thousand times. So if we can talk in COMBINATION with this dating book - we should REALLY be able to improve your situation. This is what I do: I take as many emails as I can during my week. So it's possible I can talk with you directly. But please, please don't beat me up if I can't get to you or I arrive too late. My email is at the back of this book. I actually like to work with my readers and my reviews prove this. This book is your core read to understand how we think, my best sellers are your tools and I am your confidence builder. In Section One We Learn His Blueprint: The conveyor belt to manhood (The influences of our upbringing) How we love in different ways and how these ways affect YOU How men determine a keeper The 3 things men require (they are not what you think) The 5 mistakes women ALWAYS make and don't realize it (this alone will change your life) Doesn't it drive you nuts how a man will show his soft underbelly to his best male friends? I am going to teach you something I call "Man Mode" to counter this contempt. Man mode is HOW you communicate to a man just like his friends do. It's simple and it's MAGICAL. And he won't even know you are doing it! In Section Two We Learn Your New Playbook: How and why you need to control your emotions Man Mode How to become a higher woman of value (experiences - the more the better) Baggage

There's a reason the media has dubbed matchmaker Rachel Greenwald as "The Wife Maker." Yes, she's responsible for over 750 marriages, but more importantly, she has solved perhaps the biggest dating mystery of all time: when you finally meet Mr. Right (or even Mr. Potential), what really compels him to call back (or not) after a date? Armed with her Harvard MBA, Rachel embarked on a fascinating ten-year research project to decipher this puzzle. In *Have Him at Hello*, she applies her business savvy to the dating world by conducting in-depth "exit interviews" with 1,000 single men, asking why they called back one woman, but not another. By refusing to accept the post-date brush-off like "There wasn't any chemistry..." or the excited, but equally vague evening recap, "We hit it off!" Rachel extracted unabashedly honest and raw details. It turns out there are clear, tangible, consistent reasons why marriage-minded men either fall for you or disappear. The

surprising "Top 5 Date Makers" and "Top 10 Date Breakers" revealed in this book can actually change your fate when Mr. Right finally comes along. Rachel's goal isn't for you to pretend to be someone you're not, but rather to keep the ball in your court. By using her innovative research and tips as a guide, more men will ask to see you again ; then you can do the selecting, rather than wondering if they'll call. Because information is power, this book will make your first hello a lasting one.

What to Text Him Back to Keep Him Hooked and Make Him BEG to See You Again Did you know that men secretly use texting as a way to "pre-screen" a woman's romantic value? A woman's texting habits can reveal a lot about her self-worth, confidence, intelligence, and even her level of class and emotional maturity. Because guys covertly appraise a woman's relationship potential this way, many women often have no idea that the way they communicate via text is actually sending the wrong message and thus, they unknowingly end up chasing men away. Discover the Secrets of Texting Men to Effortlessly Stand Out from EVERY Other Woman Men have their own unique way of interpreting a woman's communication attempts. Therefore, although many women mean well, they often do things when texting men that sometimes makes them appear too easy, too needy, too bossy, or too boring...even if these things aren't necessarily true about them.
