Types of Precedent in the United States: There are two basic types of precedent in the United States: persuasive and binding precedents. A binding precedent is one that must be followed in the court of law, whereas a persuasive precedent encompasses an interpretive aspect that can suggest a court of action.

[Understanding Precedent - LAWS.com](#)

Abstract. American conceptions of precedent developed and are best understood in the context of the American common law tradition in which they have played a decisive role since the first English settlement of America in the early seventeenth century. Old common-law attitudes toward precedent are so deeply ingrained in the behavior of American lawyers and judges that they hardly rise to the conscious level.
