potential investment property will garner the kind of profits you'll be happy with? As you well know, investing in real estate is a major way to invest to generate lucrative profits. Some of the areas have become more lucrative than others. You need to seek out those areas that look to be the most profitable by using various computations to gauge the viability of properties in the markets and areas you are targeting. There are answers to questions that now come with being a landlord. How do you handle a late-paying tenant? What are your legal responsibilities to the neighbors of your rental property? How beneficial is it to invest in an out of state property? Can you gauge what all the costs will be versus its profitability? Will it be worth it? This book answers many of these questions and helps you to increase your real estate knowledge as well. Some of the highlights are: What

Taught- is the book that you have been waiting for. Part of the Rental Property Millionaire series, this volume concerns itself with everything that those who already have a rental property or two need to focus on in order to take their investments to another level. This comes in the form of a two-pronged approach wherein the first half of the book concerns itself with teaching you ways to get the best deals possible and how to expand your target market. The second half of the book then transitions into a true plan for the long term, discussing the myriad of ways in which turnkey rental properties are the smart choice for those who want to have the time to enjoy all their hard earned money. Turnkey properties are those that are ready to start generating a profit from the moment you purchase them, sometimes they even come with their own tenants, and the secrets for finding the
