Ancient Greek Beliefs explores the mysteries of the ancient myths and religious beliefs of a great people. The text is divided into three sections, Greek mythology, the ancient Greeks, and conclusions. A brief history and lengthy glossary are included. The book is designed as a basic text for the introduction to ancient Greek mythology and beliefs, and the text muses about the religious lessons we might learn from them. It contains abridged stories of Greek mythology, including the extant Greek plays, and considers portions of the works of the great writers, including Aeschylus, Euripides Hesiod, Homer, Plato, and Sophocles. It opens a comprehensive window into the lives of these great ancient people.

Married couples...dating couples...parents and children...teachers and students...office workers...management and staff...business to business... There is a simple solution to improving your communication and building better, healthier relationships. It's called Law of Connection. Make it work for you! Are there certain people you cannot seem to communicate with--at home, at work, or in your community? You say one thing, they hear something different. You simply do not understand one another, and you cannot explain why. The only thing you are certain of is that the lack of connection leads to disappointment, frustration, and conflict. Now in LAW OF CONNECTION, Michael J. Losier gives you the key to successful communication. Using the principles of Neuro-Linguistic Programming (NLP), you will soon master the few simple skills needed to create better understanding with people in every aspect of your life. With tips, tools, exercises, and scripts to guide you, you will discover: --the three conditions for connecting --techniques for calibrating your conversations --four easy methods for effective communication --tips for creating positive rapport in all kinds of situations --a special section for teachers, trainers, and anyone who makes group presentations. Bring LAW OF CONNECTION home to your family and introduce it into your workplace. Watch and listen as communication improves wherever you are, and your relationships become fuller, richer, and free of conflict.

Authoritative compilation of more than 100 Lieder features well-loved melodies set to the poetry of Heine, Goethe, Burns, Byron, and others. Reprinted from the Breitkopf and Härtel edition. New translations of lyrics.

A new play from an award-winning playwright, published as part of the innovative Abbey Theatre playscript series On the day of her father's funeral, Eva - a young woman - is still haunted by the betrayal she witnessed from her childhood haven - the treehouse in the garden. On the same day another woman, Magda, relives the ghosts of another hiding place and a different betrayal - ghosts from which she still seeks forgiveness. Interweaving lives and secrets Treehouses is a magical tale of refuge, treachery and of love lost and found.
