Details about Speak Up!: Bringing speech into the visual age, Speak Up combines engaging writing, practical support, and engrossing real-life examples with hundreds of hand-drawn illustrations, bringing key concepts to life.

Provides information on the concepts and theories of public speaking along with a variety of real-life examples and visual explanations.

Written by professors with 40+ combined years' experience teaching the course, Speak Up! connects with students through lively writing, compelling real-life examples, practical guidance, and hundreds of custom-drawn illustrations that bring public speaking concepts to life. Instructors appreciate the book's serious coverage of concepts and theories, fascinating examples, and unique and often humorous illustrations that help students understand and retain concepts from the text. The new edition features a brand new case study feature that guides students through all steps of the public speaking process. The Speech Choices boxes follow Mia and Jacob as they make choices that affect the final outcome of their speech--and show students what to do, and what not to do. They culminate in two brand-new, full-length speech videos on cutting edge topics. The feature expands further online in LaunchPad with video clips from the speeches, case study questions, and case study activities that instructors can use in the classroom or assign as homework. Speak Up contains other powerful digital tools accessible through LaunchPad, a learning platform that that contains hundreds of videos, LearningCurve (our adaptive quizzing program), various assessment options, video assignment tools, instructor supplements, and a full e-book.

Illustrations and easy-to-read, rhyming text encourage the reader to speak up about everything from their own name being mispronounced to someone bring a weapon to school. Includes author's note about real people who have found their voices, when to speak up, and how to express oneself without speaking.

The beloved modern classic character, Molly Lou Melon, is tackling the timely topic of speaking up for yourself and others. Molly Lou Melon's mother taught her to use her big voice for good--to speak up for what's right, for those who can't, and even when it's hard. So she does. When school starts and a bully begins teasing everyone, including a new student, Molly Lou knows just what to do. From standing up for a friend to admitting when you've made a mistake, Molly Lou shows us how speaking up is always the right choice. The beloved classic character has another important message to share, and David Catrow's vibrant and spunky illustrations continue to expand Molly Lou's larger-than-life personality.

A toolbox of twenty-one strategies kids can use to get along with others. Every child could use help with social skills and making friends. This book provides twenty-one concrete strategies children can use to express themselves, build relationships, end arguments and fights, halt bullying, and beat unhappy feelings. It's like a toolbox of kid-friendly social skills--just open it up and pull out tools like: Mighty Might, which takes all the fun out of teasing Thought Chop, which helps kids resist self-defeating thoughts Squeaky Wheel, a type of persistence that gets results Coin Toss, a simple way to resolve small conflicts Each tool is clearly described, illustrated with true-to-life examples, and accompanied by dialogue and lines children can practice and use. Authentic stories and anecdotes show each tool in action. This revised and updated second edition incorporates electronic communication, cyberbullying, and social media with age-appropriate guidelines and stories. A note to adults includes up-to-date research on and recommendations for social skills and bullying. For kids, Speak Up and Get Along! makes learning social skills accessible and fun.

Written by professors with 40+ combined years' experience teaching the course and a competitive background in debate, Speak Up! connects with students through lively writing, compelling real-life examples, practical guidance, and hundreds of custom-drawn illustrations that bring public speaking concepts to life. Instructors will appreciate the book's serious coverage of concepts and theories, fascinating examples, and unique and often humorous illustrations that help students understand and retain concepts from the text. This edition features new illustrations, in full color for the first time; an increased focus on civic engagement throughout; and an all-new version of our Speech Choices case study feature that leads students through all steps of the public speaking process. Video of that student's final, full-length speech appears in LaunchPad, a comprehensive digital resource to accompany the book, alongside additional speech videos, a new video assessment program powered by GoReact, an adaptive quizzing program, and more.

Let's Communicate is everything you want in a human communication text--substantive, engaging, and fun. Created by communication scholars Douglas Fraleigh, Joseph Tuman, and Katherine Adams, Let's Communicate takes their combined 100 years' worth of research and teaching experience to present all the basic human communication concepts with unique attention paid to technology, culture, gender, and social justice. The authors provides provocative, real-life examples and a special focus on skills that together make communication meaningful for students both in and out of the classroom--all at an affordable price. Let's Communicate is also the first human communication text to use hundreds of hand-drawn illustrations that help students understand and retain important concepts. These unique and often humorous illustrations present concepts in graphic form (especially helpful for visual learners), make complex ideas easier to understand, provide hooks to help students remember material, extend concepts, and generate discussion.

Discusses primate evolution, behavior, and classification, and provides detailed information and illustrations, arranged geographically, on every family and nearly three hundred species.

This best-selling brief introduction to public speaking offers practical coverage of every topic typically covered in a full-sized text, from invention, research and organization, practice and delivery, to the different speech types. Its concise, inexpensive format makes it perfect not only for the public speaking course, but also for any setting across the curriculum, on the job, or in the community. This newly redesigned full-color edition offers even stronger coverage of the fundamentals of speechmaking, while also addressing the changing realities of public speaking in a digital world. It features fully updated chapters on online presentations and using presentation software, and a streamlined chapter on research in print and online.
