Status Anxiety. This is a book about an almost universal anxiety that rarely gets mentioned directly: an anxiety about what others think of us; about whether we're judged a success or a failure, a winner or a loser. This is a book about status anxiety. We care about our status for a simple reason: because most people tend to be nice to us according to the amount of status we have (it is no coincidence that the first question we tend to be asked by new acquaintances is 'What do you do?').
