Barbara took liberties with " Street Of Five Moons ", 1978, that compromised the mystery, its atmosphere, and believability. The interesting axis are a dead foreigner, a pristinely-forged jewel, and the novel's mystical-sounding title. All three were dropped and there was nothing surreal about them.

With the only clue that she has, she goes to Rome to locate the street of the Five Moons where she hopes to find a connection to the thieves. Well, of course she gets into trouble and is rescued by a "dangerously exciting young Englishman." Sir John Smythe is truly charming and the chemistry between he and Vicky is terrific.
