Supportive Care in Cancer -
Wikipedia

Supportive Care in Cancer (SCC) is a monthly journal (since 2003) published by Springer. It provides MASCC members and other interested readers with up-to-date research and reviews pertaining to all aspects of supportive care for people with cancer, their caregivers, and families.

Journal - MASCC

Supportive care can be administered in various ways—for example, by religious communities or caregivers as well as providers. However, healthcare providers must recognize the supportive care needs of their patients and

plans.

Supportive care needs of cancer
patients: A literature ...

“ Supportive care ” is the
management and prevention of the
adverse effects of cancer or
cancer treatments. At The Christie
NHS Foundation Trust we
developed this into “ Enhanced
Supportive Care (ESC) ” , a new
initiative that promotes the earlier
integration of supportive care
within cancer care. There are 6
principles: Much earlier
involvement of supportive care
services in cancer care
