In this "thought-provoking blend of history, biography, women's studies, and travelogue" (*Library Journal*) Mia Kankimäki recounts her enchanting travels in Japan, Kenya, and Italy while retracing the steps of ten remarkable female pioneers from history. What can a forty-something childless woman do? Bored with her life and feeling stuck, Mia Kankimäki leaves her job, sells her apartment, and decides to travel the world, following the paths of the female explorers and artists from history who have long inspired her. She flies to Tanzania and then to Kenya to see where Karen Blixen—of *Out of Africa* fame—lived in the 1920s. In Japan, Mia attempts to cure her depression while researching Yayoi Kusama, the contemporary artist who has voluntarily lived in a psychiatric hospital for decades. In Italy, Mia spends her days looking for the works of forgotten Renaissance women painters of the Uffizi Gallery in Florence, and finally finds her heroines in the portraits of Sofonisba Anguissola, Lavinia Fontana, and Atremisia Gentileschi. If these women could make it in the world hundreds of years ago, why can't Mia? *The Women I Think About at Night* is "an astute, entertaining...[and] insightful" (*Publishers Weekly*) exploration of the lost women adventurers of history who defied expectations in order to see—and change—the world.

Arriving one year after the Haitian-American's first novel (*Breath, Eyes, Memory*) alerted critics to her compelling voice, these 10 stories, some of which have appeared in small literary journals, confirm Danticat's reputation as a remarkably gifted writer. Examining the lives of ordinary Haitians, particularly those struggling to survive under the brutal Duvalier regime, Danticat illuminates the distance between people's desires and the stifling reality of their lives. A profound mix of Catholicism and voodoo spirituality informs the tales, bestowing a mythic importance on people described in the opening story, "Children of the Sea," as those "in this world whose names don't matter to anyone but themselves." The ceaseless grip of dictatorship often leads men to emotionally abandon their families, like the husband in "A Wall of Fire Rising," who dreams of escaping in a neighbor's hot-air balloon. The women exhibit more resilience, largely because of their insistence on finding meaning and solidarity through storytelling; but Danticat portrays these bonds with an honesty that shows that sisterhood, too, has its power plays. In the book's final piece, "Epilogue: Women Like Us," she writes: "Are there women who both cook and write? Kitchen poets, they call them. They slip phrases into their stew and wrap meaning around their pork before frying it. They make narrative dumplings and stuff their daughter's mouths so they say nothing more." The stories inform and enrich one another, as the female characters reveal a common ancestry and ties to the fictional *Ville Rose*. In addition to the power of Danticat's themes, the book is enhanced by an element of suspense (we're never certain, for example, if a rickety boat packed with refugees introduced in the first tale will reach the Florida coast). Spare, elegant and moving, these stories cohere into a superb collection.
