Fyodor Dostoyevsky The Brothers Karamazov Read by Constantine Gregory unabridged. Fyodor Dostoyevsky is a titanic figure among the world's great authors, and The Brothers Karamazov is often hailed as his finest novel. A masterpiece on many levels, it transcends the boundaries of a gripping murder mystery to become a moving account of the battle between love and hate, faith and despair ...

The Brothers Karamazov [Naxos AudioBooks Edition ...

'The Brothers Karamazov' is a masterpiece, considered one of the best novels of all time. Many of humanity's greatest minds hail this book as the most important literary work. I enjoyed it very much and recommend it to anyone with a good attention span and the ability to get out of one's comfort zone.

The great explorers were the celebrities of their day - the romance and danger of their daring expeditions captured the public imagination and the world's headlines to an extraordinary degree. Not all of them lived to tell the tale, of course, but those who emerged triumphant from jungle, desert or polar wasteland were hailed as if returning from beyond the grave. Journalists vied for their stories and publishers rushed their first-hand accounts of exciting and dangerous journeys into print for a wide and voracious readership. Acclaimed travel historian John Keay introduces this selection of the best of these first-hand narratives, including those of John Ross and John Franklin, writing about their experiences in the Arctic; Richard Burton's account of his search for the source of the Nile; John Speke on Lake Victoria; David Livingstone and Henry Stanley's adventures in central Africa; Alexander McKenzie's first crossing of

## Download Ebook The Brothers Karamazov Naxos Audiobooks Edition

America and Meriwether Lewis's encounter with the Shoshonee; Robert Peary and Roald Amundsen's voyages to the poles; and the poignant last words of William Wills in Australia and Robert Scott's In Extremis. Keay includes the experiences of four remarkable twentieth-century explorers: Hiram Bingham on the discovery of Machu Picchu; Wilfred Thesiger on Arabia's Empty Quarter; Edmund Hillary on reaching the summit of Everest; and Harry St John Bridger Philby facing despair and defeat in the Arabian desert.

Three sons find their violent and vengeful lives exposed when their despicable father is murdered, and each man struggles to come to terms with his guilt over his involvement in the crime.

Though he was a prolific writer and an original thinker of vast erudition, Jung lacked a gift for clear exposition and his ideas are less widely appreciated than they deserve. In this concise introduction, Anthony Stevens explains clearly the basic concepts of Jungian psychology: the collective unconscious, complex, archetype, shadow, persona, anima, animus, and the individuation of the Self. He examines Jung's views on such disparate subjects as myth, religion, alchemy, 'synchronicity', and the psychology of gender differences, and he devotes separate chapters to the stages of life, Jung's theory of psychological types, the interpretation of dreams, the practice of Jungian analysis, and to the unjust allegation that Jung was a Nazi sympathizer. Finally, he argues that Jung's visionary powers and profound spirituality have helped many to find an alternative set of values to the arid materialism prevailing in Western society.

**ABOUT THE SERIES:** The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area. These pocket-sized books are the perfect way to get ahead in a new subject quickly. Our expert authors combine facts, analysis, perspective, new ideas, and

enthusiasm to make interesting and challenging topics highly readable.

Joseph Frank's award-winning, five-volume Dostoevsky is widely recognized as the best biography of the writer in any language--and one of the greatest literary biographies of the past half-century. Now Frank's monumental, 2500-page work has been skillfully abridged and condensed in this single, highly readable volume with a new preface by the author. Carefully preserving the original work's acclaimed narrative style and combination of biography, intellectual history, and literary criticism, *Dostoevsky: A Writer in His Time* illuminates the writer's works--from his first novel *Poor Folk* to *Crime and Punishment* and *The Brothers Karamazov*--by setting them in their personal, historical, and above all ideological context. More than a biography in the usual sense, this is a cultural history of nineteenth-century Russia, providing both a rich picture of the world in which Dostoevsky lived and a major reinterpretation of his life and work.

**A NEW YORK TIMES NOTABLE BOOK** Once in a great while a writer comes along who can truly capture the drama and passion of the life of a family. David James Duncan, author of the novel *The River Why* and the collection *River Teeth*, is just such a writer. And in *The Brothers K* he tells a story both striking and in its originality and poignant in its universality. This touching, uplifting novel spans decades of loyalty, anger, regret, and love in the lives of the Chance family. A father whose dreams of glory on a baseball field are shattered by a mill accident. A mother who clings obsessively to religion as a ward against the darkest hour of her past. Four brothers who come of age during the seismic upheavals of the sixties and who each choose their own way to deal with what the world has become. By turns uproariously funny and deeply moving, and beautifully written throughout, *The Brothers K* is one of the

## Download Ebook The Brothers Karamazov Naxos Audiobooks Edition

finest chronicles of our lives in many years. Praise for *The Brothers K* “The pages of *The Brothers K* sparkle.”—*The New York Times Book Review* “Duncan is a wonderfully engaging writer.”—*Los Angeles Times* “This ambitious book succeeds on almost every level and every page.”—*USA Today* “Duncan’s prose is a blend of lyrical rhapsody, sassy hyperbole and all-American vernacular.”—*San Francisco Chronicle* “*The Brothers K* affords the . . . deep pleasures of novels that exhaustively create, and alter, complex worlds. . . . One always senses an enthusiastic and abundantly talented and versatile writer at work.”—*The Washington Post Book World* “Duncan . . . tells the larger story of an entire popular culture struggling to redefine itself—something he does with the comic excitement and depth of feeling one expects from Tom Robbins.”—*Chicago Tribune*

Raskolnikov, a destitute and desperate former student, commits a random murder without remorse or regret, imagining himself to be a great man far above moral law. But as he embarks on a dangerous cat-and-mouse game with a suspicious police investigator, his own conscience begins to torment him and he seeks sympathy and redemption from Sonya, a downtrodden prostitute. Translated with an Introduction and Notes by David McDuff

This volume, the fourth of five planned in Joseph Frank's widely acclaimed biography of Dostoevsky, covers the six most remarkably productive years in the novelist's entire career. It was in this short span of time that Dostoevsky produced three of his greatest novels--*Crime and Punishment*, *The Idiot*, and *The Devils*--and two of his best novellas, *The Gambler* and *The Eternal Husband*. All these masterpieces

## Download Ebook The Brothers Karamazov Naxos Audiobooks Edition

were written in the midst of harrowing practical and economic circumstances, as Dostoevsky moved from place to place, frequently giving way to his passion for roulette. Having remarried and fled from Russia to escape importuning creditors and grasping dependents, he could not return for fear of being thrown into debtor's prison. He and his young bride, who twice made him a father, lived obscurely and penuriously in Switzerland, Germany, and Italy, as he toiled away at his writing, their only source of income. All the while, he worried that his recurrent epileptic attacks were impairing his literary capacities. His enforced exile intensified not only his love for his native land but also his abhorrence of the doctrines of Russian Nihilism--which he saw as an alien European importation infecting the Russian psyche. Two novels of this period were thus an attempt to conjure this looming spectre of moral-social disintegration, while *The Idiot* offered an image of Dostoevsky's conception of the Russian Christian ideal that he hoped would take its place.

The classic novel of a boy's struggle for survival in WWII Poland, from the National Book Award-winning author of *Steps and Being There*. "In 1939, a six-year-old boy is sent by his anti-Nazi parents to a remote village in Poland where they believe he will be safe. Things happen, however, and the boy is left to roam the Polish countryside. . . . To the blond, blue-eyed peasants in this part of the country, the swarthy, dark-eyed boy who speaks the dialect of the educated class is either Jew, gypsy, vampire, or devil. They fear him and they fear what the Germans will do to them if he is found among them. So he must keep moving. In doing so, over a period of years, he observes every conceivable variation on the theme of horror" (Kirkus Reviews). Originally published in 1965, *The Painted Bird* established Jerzy Kosinski as a major literary figure. With sparse prose and vivid imagery, it is a story of mythic proportion and timeless human relevance. "One of the best . . . Written with deep sincerity and

## Download Ebook The Brothers Karamazov Naxos Audiobooks Edition

sensitivity.” —Elie Wiesel, *The New York Times Book Review* “Of all the remarkable fiction that emerged from World War II, nothing stands higher than Jerzy Kosinski’s *The Painted Bird*. A magnificent work of art, and a celebration of the individual will. No one who reads it will forget it; no one who reads it will be unmoved by it. *The Painted Bird* enriches our literature and our lives.” —Jonathan Yardley, *The Miami Herald* “Extraordinary . . . Literally staggering . . . One of the most powerful books I have ever read.” —Richard Kluger, *Harper’s Magazine* “One of our most significant writers.” —*Newsweek*

Three brothers and their relations in 19th century Russia provide the base for a sweeping epic overview of human striving, folly and hope. First published in 1880, *The Brothers Karamazov* is a landmark work in every respect. Revolving around shiftless father Fyodor Pavlovich Karamazov are the fates of his three sons, each of whom has fortunes entwined with the others. The eldest son, Dimitri, seeks an inheritance from his father and becomes his rival in love. Ivan, the second son, is so at odds with the world that he is driven near to madness, while the youngest, Alexi, is a man of faith and a natural optimist. These personalities are drawn out and tested in a crucible of conflict and emotion as the author forces upon them fundamental questions of morality, faith, reason and responsibility. This charged situation is pushed to its limit by the addition of the unthinkable, murder and possible patricide. Using shifting viewpoints and delving into the minds of his characters, Dostoevsky adopted fresh techniques to tell his wide-reaching story with power and startling effectiveness. *The Brothers Karamazov* remains one of the most respected and celebrated novels in all literature and continues to reward readers beyond expectation. With an eye-catching new cover, and professionally typeset manuscript, this edition of *The Brothers Karamazov* is both modern and readable.
