## **Dhandho Investor The Lowrisk**

this book is great book on fundamental analysis. the author isn't dry and gives great examples on how to make low risk/high uncertainty investments. if you are looking to start investing, there is nothing worse than investing in a high risk/high uncertainty investment - as they usually result in losses. dhandho investing comes from the school of buffett and value investing whereby you invest in low risk/high uncertainty stocks. i definitely reccomend this book...
