JUST BECAUSE YOU ARE A DUKE, DOESN'T MEAN MY ANSWER WILL BE AN AUTOMATIC YES, YOUR GRACE!
4.5 STARS to Gemma Blackwood for her well written and delightful book
The Duke's Defiant Debutante which while lost .5 off a star and reason she didn't get that total 5, is based on Angelieca's response to just giving trust straight out to Miss Drake's group & their twisted tales concerning Edwards' past along with his feelings on her.

The Duke's Defiant Debutante by Gemma Blackwood

An engaging story of the bubbly debutante & the brooding duke. Thorne proposes at practically their first meeting only to be refused, then Mr Stirling steps in & they are engaged. Attraction & liking grows as they begin to know each other but Edward thinks he can't move on from earlier events.

Posted on March 22, 2018. by carolintallahassee. March 22, 2018. The Duke's Defiant Debutante by Gemma Blackwood. My Rating: 5 out of 5 Pearls. Publication Date: March 22, 2018. The reclusive Duke of Redhaven is not somebody to be trifled with. Fortunately, neither is Miss Angelica Stirling. Lively, clever, and rather too outspoken, Angelica does not have high hopes for her first London Season... not that she particularly cares.

The Dukes Defiant Debutante

He can force her to marry, but her heart? That will never be his. The duke is a man obsessed. From the moment Raff sets eyes on the fair-haired debutante with the angelic smile, he knows he must have her. And he has a plan. A way to cure himself of this tempting madness. He is a duke, after all. And she will be his. Evangeline has plans of her own, however, and they don't call for an overwhelming brute who's never heard the word no-until now. When she can't evade marriage, she makes a new vow. He may own her body, but he'll never have her love. But the duke is far more devious than she'd thought. He doesn't demand she submit. Oh no. It seems he's finally learned that there are some areas where his commands are futile. So he resorts to other methods instead. On their wedding night he vows he'll make her beg for the pleasure only he can bring. And heaven help her if he isn't right. But it's not just desire he stirs within her as they forge a truce of a marriage, it's something far more dangerous. And in this battle of wills, she might just lose her heart. Raff won't be swayed. If he can't force her to love him, he'll sure as hell seduce her into his bed. It might not be fair, but when it comes to winning his angel, this duke is prepared to play dirty. Note: This series is part of Dragonblade's Flame line, so this is a sexy, steamy, and scorching-hot read with multiple sex scenes. Be advised. Cailin Audley doesn't fit in with Polite Society. A life spent among the working class taught her to value her independence in a way no newfound fortune or glittering ballroom could ever erase. When a major misstep sees the new heiress whisked away to the English countryside, Cailin soon realizes the vexing lengths her family will go to see her settled. But having risked her heart once before, Cailin has no interest in the men of the ton—especially not the frustratingly charming Duke of St. James. Courtland Balfour, the Duke of St. James, devoted brother and notorious rogue, despises what he must become—a fortune hunter. But with the ducal coffers drained by his late, spendthrift of a father, Courtland knows his duty lies at the altar and he will do anything to ensure a future for his siblings. Just his luck that the one lady who could make this new fate bearable, who enflames him like no other, is the one woman who wants nothing to do with him or his title. But when an act of desperation inadvertently lands he and Cailin at the heart of another scandal, Courtland knows better than to waste his chance. Surely he can convince Cailin to love him?

Having grown up in a broken family, Miss Elizabeth Crawford dreams of living a life of solitude, hiding the scars no one sees. Although her destiny lies in a marriage of convenience, all she wants is a husband who will love her, for her father certainly does not. His desire to see her out of the house is further reinforced in the fact that he has agreed to give her hand not to a baron, but rather his brother! Worse still, the man is arrogant and harsh with his words, but oh, so devilishly handsome. After seven years in hiding to escape a tortuous past, Caleb Beaumont has emerged with the scars on his body as a reminder of what he has done. Returning to his ancestral home to claim the doting bride his brother has found for him, Caleb finds a far different woman in her place. Elizabeth is a striking woman, but her expectations of marriage are much more than Caleb had ever considered possible. Has he made a mistake? As the date of their wedding draws near, Elizabeth questions everything Caleb has told her about his life. And Caleb soon learns that there is no escaping the past, while the future sometimes leads to the same ending he attempted to avoid. The Baron's Brother is a clean and sweet Regency that will keep the candle burning late into the night.
