Two Cheers for Democracy is the second collection of essays by E. M. Forster, published in 1951, and incorporating material from 1936 onwards. The humorous title is not directly connected with the essays themselves and, according to the preface, was suggested to him by one of his "younger friends... as a joke." Reflecting Forster's increasing politicisation in the 1930s, particularly in the first section entitled 'The Second Darkness', the collection contains versions of his anti-Nazi broadcasts

E.M. Forster is best known for his exquisite novels, but these two affecting short stories brilliantly combine the fantastical with the allegorical. In 'The Machine Stops', humanity has isolated itself beneath the ground, enmeshed in automated comforts, and in 'The Celestial Omnibus' a young boy takes a trip his parents believe impossible.

Like Jane Austen's Mansfield Park (1814) and Charles Dickens's Bleak House (1852–53), E M Forster's Howards End (1910) can be read as a 'condition of England novel'. Common to these texts is a sustained metaphor in which the topography of landscape, gardens and houses, as well as family relationships and interpersonal dynamics signify the state of the nation at a time of crisis and ...

This is the most wonderful collection of short stories. They are full of light, full of spirit, full of love, full of wisdom. E M Forster is one of the greatest writers of the XXth century, and his work will last much longer than most of his contemporaries'. I hope this stories will find new readers among the young generations.
