Rule of law - Wikipedia

Rule of law, the mechanism, process, institution, practice, or norm that supports the equality of all citizens before the law, secures a nonarbitrary form of government, and more generally prevents the arbitrary use of power. Arbitrariness is typical of various forms of despotism, absolutism, authoritarianism, and totalitarianism.

What is the Rule of Law - United Nations and the Rule of Law

The rule of law is a fundamental doctrine by which every individual must obey and submit to the law, and not arbitrary action by other people or groups. In essence, no one is above the law. The United Kingdom does not have a written constitution. The rule of law, along with Parliamentary Sovereignty and court rulings, is fundamentally the defining principle of our 'unwritten constitution'.

The Rule of Law comprises a number of principles of a formal and procedural character, addressing the way in which a community is governed. The formal principles concern the generality, clarity, publicity, stability, and prospectivity of the norms that govern a society.

The Rule of Law (Stanford Encyclopedia of Philosophy)  
Rules of law are general maxims, formed by the courts, who having observed what is common to many particular cases, announce this conformity by a maxim, which is called a rule; because in doubtful and unforeseen cases, it is a rule for their decision; it embraces particular cases within general principles.

election. Then socialist rubber stamp legislatures will change it. The rule of law will be meaningless. And it will be blatant. Democrats have shown they are not subtle. If Biden wins it will be the rule of animals, thugs, and authoritarian socialists.

Democrats And The Rule Of Law - drewberquist.com  
The 'rule of law' is widely accepted to be a critical part of an effective constitution; its principle function is to constrain government action. There is a significant disagreement initially on how to define the rule of law. The rule of law has been referred to as a 'wrapper' that is placed around a bundle of constitutional principles.

The Rule of Law Lecture

Our Definition. In its simplest form, the rule of law means that “no one is above the law.”. For the rule of law to be effective, there must be equality under the law, transparency of law, an independent judiciary and access to legal remedy. Yet, about 57% of the world’s population lives outside the shelter of the law.
