Throat Ra Nelson

Throat, by R. A. Nelson (released January 25th, 2011) was one of those books, and not one I would have necessarily read on my own. It is called Throat for goodness sakes, which immediately made me think of vampires (and I wasn ' t wrong), and the cover is a girl bending her head back. None of this seemed very unique or exciting.

Young Ronald Earl King, who has been a charismatic evangelist for years, becomes engaged in an epic battle between good and evil on the grounds of an old plantation, with confusing help from the ghost of a girl he could not heal.

One of the strangest (and funniest) love triangles ever to hit YA fiction, when a pair of twins (one boy, one girl) both fall for the boy who moves in with them...who may or may not be a vampire. Judy and Kyle Renneker are sixteen-year-old fraternal twins in a rambling family of nine. They have a prickly history with each other and are, at least from Judy's perspective, constantly in fierce competition. Kyle has recently come out of the closet to his family and feels he might never know what it's like to date a guy. Judy, who has a history of pretending to be something she isn't in order to get what she wants, is pretending to be born-again in order to land a boyfriend who heads his own bible study.

Frances can forgive. She can even forget. But she can never escape her past. . . . In this compelling psychological thriller from the acclaimed author of Teach Me, Frances Robinson has the perfect life: loving adoptive parents, a great best friend, and a cute new boyfriend. But Frances has a secret. Once upon a time she wasn ' t Frances Robinson. She was Shine, and she lived with her three sisters and her birth mother, Afton Jelks, far out in the country. But the loneliness overtook Afton ' s fragile mind, and one day she smothered her daughters, one after another. Only Frances escaped. Now Afton is out of prison. And she wants to finish what she started. . . .

Nelson Pediatric Symptom-Based Diagnosis uses a unique, step-by-step, symptom-based approach to differential diagnosis of diseases and disorders in children and adolescents. Conveniently linked to the world ' s best-selling pediatric reference, Nelson Textbook of Pediatrics, 20th Edition, it focuses on the symptoms you ' re likely to see in general practice, as well as uncommon disorders. You ' ll find clear guidance on exactly what to consider and how to proceed when faced with a host of common symptoms such as cough, fever, headache, chest pain, gait disturbances, and many more. Features a practical, symptom-based approach that enables you to form an accurate diagnosis. Uses the same consistent, step-by-step presentation in every chapter: History, Physical Examination, Diagnosis (including laboratory tests), Imaging, Diagnosis, and Treatment. Covers new approaches to diagnostic imaging and genetic testing, new diagnostic guidelines, BRUE (brief resolved unexplained event), stroke in children, behavior disorders, syncope, recurrent fever syndromes, and much more. Includes full-color illustrations, algorithms, tables, and "red flags" to aid differential diagnosis. Serves as an ideal companion to Nelson Textbook of Pediatrics, 20th Edition.

Fifteen young adult authors and one real-life rock star band together for one epic--and interconnected--take on a memorable high school rite of passage. A daughter of rock 'n' roll royalty has a secret crush. A lonely ticket taker worries about his sister. An almost-famous songwriter nurses old wounds. A stage manager tires of being behind the scenes. A singer-songwriter struggles to untangle her feelings for her best friend and his girlfriend. In this live-out-loud anthology, the disparate protagonists of sixteen stories are thrown together for one unforgettable event: their high school's battle of the bands. Told in a harmonic blend of first- and third-person narrative voices, roughly chronological short stories offer a kaleidoscopic view of the same transformative night. Featuring an entry from Justin Courtney Pierre, lead vocalist of Motion City Soundtrack, Battle of the Bands is a celebration of youth, music, and meeting the challenges of life head-on. With stories by Brittany Cavallaro, Preeti Chhibber, Jay Coles, Katie Cotugno, Lauren Gibaldi, Shaun David Hutchinson, Ashley Poston, Jenny Torres Sanchez, Sarah Nicole Smetana, Eric Smith, Jenn Marie Thorne, Sarvenaz Taghavian, Jasmine Warga, Ashley Woodfolk, and Jeff Zentner, and featuring Motion City Soundtrack's Justin Courtney Pierre.

A study in the collision between Western medicine and the beliefs of a traditional culture focuses on a hospitalized child of Laotian immigrants whose belief that illness is a spiritual matter comes into conflict with doctors' methods.
