38 Basic Joseki cuts incisively through the labyrinth of joseki to give the reader a solid grounding in the subject.

To help with the process of identifying those new and untested strategic concepts that merit further examination, the Strategic Studies Institute is publishing a special series called "Advancing Strategic Thought." This provides a venue--a safe haven--for creative, innovative, and experimental thinking about national security policy and military strategy. In this monograph, the author uses the ancient game of Go as a metaphor for the Chinese approach to strategy. He shows that this is very different than the linear method that underlies American strategy. By better understanding Go, he argues, American strategies could better understand Chinese strategy.

Fundamental Principles is a clear presentation of the basic guidelines that you should follow in playing the game of go. Yilun Yang is the most famous go teacher in the US and this is an extremely popular book.

This book, "Modern Joseki and Fuseki, Vol. 1", was Sakata's first book published in English. It is now regarded as a classic in Go literature.It is also the first book published by The Ishi Press. Published in 1968, this book along with two follow-up volumes by Sakata Eio, made The Ishi Press the world's leading publisher on the game of go.

Attack and Defense lays down a few clear principles, then goes through a wealth of applications: examples, problems, and case studies from professional play.
