Here's the deal.
A friend of mine
brought me a
troy bilt rear
tine electric
start tiller to
see if I could
get running for
him. I put on a
new battery,
changed the
spark plug,
drained old gas,
and cleaned the

carb. Put it
back together
but won't crank.

I can pour gas
in carb and it
will run long
enough to burn
poured gas.
