The Yamaha QT50 Yamahopper is a moped produced by the Yamaha Motor Company from 1979 through 1992. The name was derived from it being promoted by Hopalong Casity. QT50s were popular in the late 1970s and 1980s because of their ease of use and maintenance, extreme fuel efficiency, and legality in most U.S. states among pre-driving-age teenagers.

1979 Yamaha QT50 moped, no start. Alright, so here is the story. I bought a 1979 Yamaha QT50 off of craigslist. At the time it was running well and started easily. Since then I've put about 50 miles on it. As I've ridden it its become harder and harder to get it to start, to the point where it will no longer start. I've done some diagnosing.
